

#35 PROPOSAL TO IMPROVE SOCIAL MEDIA

This notification has 14 sections & does not require approval from the Lok Sabha or the Rajya Sabha. The Prime Minister can publish it directly in the Gazette. The following changes will take place when this law is published in the Gazette :

(1) There will be a reduction in the systematic spread of false propaganda, fake news, etc. done by IT cells run by political parties and other similar

groups via anonymous accounts to divide the community.

(2) Public display of nudity, nuisance, profanity(vulgarism), etc. on social media will come down. Complete draft -

[Tinyurl.com/SocialMediaPolicy1](https://tinyurl.com/SocialMediaPolicy1).

Brief Procedure of the Proposed Social Policy law –

(1) Verified accounts only : The social media company will not allow any user to open an account without verifying their identity. Only the Voter ID Card will be used to verify the identity and not any other document.

- a. If a minor wants to open his account, he can use the voter ID card of his parents, siblings, or their siblings or his legal guardian.
- b. If any unit (company, NGO, and firm) wants to open its account, then the unit's director/trustee/partner can open the account in the unit's name with the help of his voter ID card.

(2) Whatever data the social media company collects from the user, they will have to store it in Bharat only. They can't take that data out of Bharat.

(3) Display of Identity : The account holder's voter number, his district, and the number of accounts operated by him will be visible at the top in the About section of the profile so that any user can see it.

(4) When a message is forwarded on the platform providing chatting service (WhatsApp, Telegram, Messenger, Hike, etc.), the name of the person whose message has been forwarded will appear on the header of the message, as well as the number will also be written, that how many times a

particular message has been forwarded so far.

(5) Advertising of **adult** content such as call girls apps, adult category videos, audio, and adult category products that are not suitable for minors is prohibited. Such advertisements can be shown only during programs broadcast for adults.

(6) All types of **betting** apps that provide online gambling and betting are prohibited.

(7) Hearing of Complaints by Jury :
All such acts done on social media

platforms that are punishable under the penal codes in force in Bharat, such as nudity, nuisance, profanity(vulgarism), rumor, fake news, threats, ethnic Spreading communal disharmony, etc. will come under the purview of the Jury.

(8) Procedure to complain before the

Jury : If any person has an objection or complaint about any act done by any other person on social media, then they can make their complaint in writing to the Grand Jury Board of their district. According to the seriousness of the case, the number of Jurors can

be between 12 to 1500 members.
