

#32 REFERENDUM TO IMPLEMENT COORG GUN LAW IN MY DISTRICT

(Referendum to bring Coorg like Gun Law in my district)

The 1963 notification published by the Government of India gives the right to every resident of Coorg district in Karnataka to possess Gun without any license. If any Indian citizens living in any other districts of India except Coorg(now Kodagu) want to buy a Gun for their or their families' safety, they need to take the license from the Government. Generally, Gun licenses are given by the government only to selected influential people, and even for this 10 to 25 lakh Bribe has to be given. But a Coorgi resident can buy a gun only after getting it registered. We propose a referendum (plebiscite) to extend Coorg's law to other districts. **#CoorgGunLawReferendum**

1. Chief Minister or Prime Minister will implement this law **only when 55% of** the total number of registered voters in the voter list of a district register Yes to implement it.
2. In any district, if less than **55%** of citizens give consent to implement this law, then the Chief Minister will not implement this law under any circumstances.
3. If more than 55% of voters have given their consent to apply Coorg Gun Law in their district, even then **The final decision will be taken by the Chief Minister**, If the Chief Minister wants, he can go against the public opinion as well.

If the Chief Minister publishes the following clauses in the Gazette, then the process of a referendum (plebiscite) will start in a certain district. For this, the Chief Minister does not need to take permission from the Legislative Assembly. This type of referendum (plebiscite) is completely constitutional, so there is no need to amend the Constitution for it.
