

# #5 JILA JURY COURT

## ( Proposal for Jury of Rational Citizens for hearing of cases )

There are two procedures for delivering Justice (court hearings) across the globe - Judge System and the Jury system. Many countries namely USA, the UK, France, Australia, Germany, Russia, etc. have Jury system in their Judiciary. This is not a coincidence that countries that have a Jury system have far less corruption in their government & oppression towards citizens as compared to the countries with Judge system. We have proposed a law draft called **Jury Court** to introduce Jury system in India for criminal cases of simple nature. There is no need to pass this proposed law from the Vidhan Sabha. Chief Minister can directly print this law in the Gazette. **#JilaJuryCourt**

After this law is published in the Gazette, hearings of cases shall be done by the common citizen's Jury, and every voter shall get a VoteVapsi Passbook. The District Police Chief (SP) will come under the purview of the VoteVapsi Passbook. If the police of your district is not working properly or are found to be corrupt, you will be able to give your consent to change the SP using the VoteVapsi Passbook. To get the detailed process of Jury and VoteVapsi Passbook. Read the complete law draft from this link-[Tinyurl.com/JilaJuryCourt](https://tinyurl.com/JilaJuryCourt)

After this law is passed, you can be called for Jury duty if your name is on the voter list of a district and if the Grand Jury finds that you have the discretion& understanding to hear and give the verdict of a case.

1. Jury members will be between the age of 25 to 55 and they will be selected by the manual system via lottery (no electronic device used) from the voter list. The Jury will be formed by selecting rational citizens (sound minds) among these citizens drawn by lottery.
2. The Jury shall have a minimum of 12 members and considering the seriousness of the case, the size of the Jury may extend up to 1500 members.
3. There shall be a separate Jury for each case and after giving its verdict, the person who has done Jury duty will not be called for Jury duty for the next 5 years.
4. A citizen performing Jury duty will get ₹ 600 for appearance and travel expenses.
5. Jurors shall hear the case in the presence of the Judge or Jury administrator and shall deliver their verdict to the Judge in a sealed cover. The decision approved by the majority of Jurors will be considered as the decision of the Jury.
6. The decision of the Jury is advisory, not binding. If the Judge wishes, he can modify the decision of the Jury, or overturn it altogether or order to implement it in parts.
